Waiver

- While your camper is in storage, Falling Waters, Inc dba Shenandoah Valley Campground (SVC) shall have no liability for any loss or damage to the camper for any cause whatsoever; including, but not limited to: theft, fire, snow, hail, windstorm, flood, the malicious or negligent acts of third persons. It is an express condition of this agreement that you shall bear all risk of loss or damage to your camper from any cause. SVC urges you to carry adequate insurance on your camper for property damage (including, but not limited to: theft, fire, snow, hail, windstorm, flood, the malicious or negligent acts of third persons). Failure to carry adequate insurance imposes no liability or obligation upon SVC
- Please understand that you may request that SVC move your camper to/from storage to/from campsites. While SVC may provide this service, you understand that SVC is not responsible for any damage claims to person or property resulting from SVC moving your camper. You understand that you must have your own insurance for any such damage claims and you hereby agree to hold SVC harmless from any claims or causes of action in any way related to my requesting SVC to move your camper
